**Re: CC Docket No. 00-257 (notification of customer base transfer)**

Dear Ms. Dortch:

By this letter, we are notifying the Commission of the transfer of certain telecommunications customer accounts and related assets from Pac-West Telecomm, Inc. ("Pac-West") to U.S. TelePacific Corp. ("TelePacific"). The types of services provided to the affected customers include interstate exchange access and interstate interexchange (toll and private line/network) services, as well as intrastate local exchange and interexchange services. The proposed date of the transfer is now February 2, 2005, or as soon thereafter as all required regulatory authorizations are received.

A copy of the notice that was sent to affected customers in accordance with the Commission's requirements is enclosed. The notice was provided on January 3, 2005.

After filing, please return a filed stamped copy of this letter to me in the enclosed self-addressed stamped envelope. Thank you.

Very truly yours,

  
John L. Clark

**THIS NOTICE IS GIVEN TO YOU PURSUANT TO FEDERAL COMMUNICATIONS  
COMMISSION RULES AND THE RULES AND REGULATIONS OF THE  
CALIFORNIA PUBLIC UTILITIES COMMISSION**

As previously announced, U.S. TelePacific Corp., which does business as TelePacific Communications (TelePacific), has reached an agreement with Pac-West Telecomm, Inc. (Pac-West) to take over providing some or all of your telecommunications services, subject to approval by the Federal Communications Commission and the California Public Utilities Commission, where applicable.

- Your service will be transferred to TelePacific unless you choose another service provider prior to the transfer (this includes customers who may have previously asked Pac-West to impose a "freeze" on any change of service provider). While you always have the right to select another carrier, please be aware that any applicable early termination fees will apply if you cancel service prior to the expiration of an existing term agreement.
- The transfer of responsibility for your service to TelePacific should be seamless to you and there will be no charge related to the transfer. Moreover, the transfer will not affect the rates, terms and conditions for your service. Any future changes will be made only in accordance with applicable contract and regulatory requirements. You will be advised at a later date about the transfer of your service to TelePacific's network, which will occur in an orderly fashion over the next several months.
- Until the transfer is approved, Pac-West will continue to manage the network and bill for services. Although TelePacific cannot be responsible for complaints concerning matters that occur prior to the transfer of responsibility, TelePacific will be responsible for handling all complaints concerning service, billings and related matters after that date. The actual transfer of responsibility is tentatively scheduled for sometime after February 1, 2005.

If you have any questions in the meantime, please call either:

- Pac-West at 1-800-399-3389 (toll-free), Monday through Friday, 7:30 a.m. to 5:30 p.m.
- OR
- TelePacific at 1-877-253-8722 (toll-free), Monday through Friday, 8:00 a.m. to 6:00 p.m.

## CERTIFICATION

On behalf of U.S. TelePacific Corp. ("TelePacific"), and in accordance with Section 64.1120 of the Commission's rules, 47 C.F.R. § 64.1120, I certify under penalty of perjury that I have read the foregoing notification and that the statements contained in it are true, complete, and correct to the best of my knowledge. I further certify that, with respect to the transfer to TelePacific of the affected customers of Pac-West Telecomm, Inc., TelePacific has complied with the Commission's requirement to provide advance customer notice in accordance with Section 64.1120(e)(3), with the obligations specified in the notice to affected customers, and with other statutory and Commission requirements that apply to the streamlined process under Section 64.1120(e).
